Heart for Women

This foundation conducts multidisciplinary research focused on cardiovascular disease in women. Our members believe this foundation is important because more research is needed for women.

Team Up

Team Up helps refugee children from war zones to process their traumas. Inner Wheel collected € 48.750,- with all members for this charity.

**The Netherlands Inner Wheel Members collected € 500.000,- over de past 2 years.
With these funds and the hands-on projects, over 300 charities were supported
by Inner Wheel The Netherlands.**

IW Epe D56

Donated coffee and € 350,-

IW Nijkerk

Donated € 1000,- for the children

Members of IW Curaçao D60

The members have aided childcare centre Dede Pikiña after it was destroyed by fire by means of fundraising and hands-on help. This childcare centre provides one meal a day for children (age 0-4 years) in the poor neighborhood of Curaçao.

IW Zeeuwsch Vlaanderen D60

Out of solidarity with girls and women, who are dependent on food of our foodbank, we donated during last year 4 times menstrual products.

**More than 1 Million people in the Netherlands live below povertyline.
Several clubs donated goods and money to the Foodbanks in The Netherlands.**

Because We Carry

Thousands of children needed urgent help. Several IW clubs acted urgently to support the refugee children and donated backpacks with toy's and school supplies. The Netherlands collected over 40,000 backpacks.

The Netherlands At Service

As part of our national Theme "The Netherlands at Service" the members organized a breakfast for the elderly in a retirement-home.

Every year there is the 'Hands-On' theme 'The Netherlands at Service' and the majority of our Inner Wheel clubs participate with many different projects.
